

DAWN BUCKINGHAM
STATE SENATOR

June 6, 2017

**Senator Dawn Buckingham Statement
on Call for Special Session**

I commend Governor Greg Abbott for his conservative approach in calling a special session to protect all Texans and pass many of the legislative efforts we were close to passing when time ran out on the 85th session. This thoughtful approach on many pending issues such as runaway property taxes, women's privacy and much needed educational reforms are key for Senate District 24.
